VINCENT VACATIONS • EXPEDITION RIVER COLLECTION

Aqua Expeditions: Luxury River Fleet & Gastronomy Guide

Aqua Nera, Aria Amazon & Aqua Mekong | Signature Exclusive Amenities & Suites

1. Architectural Elegance in Remote Wilderness

Aqua Expeditions has redefined modern waterborne luxury. Designed by renowned interior architect Noor Design, vessels like the 20-suite Aqua Nera and the 16-suite Aria Amazon mirror the sleek, contemporary elegance of an international design hotel while cruising the Upper Peruvian Amazon.

On the Mekong, the 20-suite Aqua Mekong features floor-to-ceiling glass walls, indoor and outdoor cinemas, a plunge pool overlooking river life, and a 1:1 guest-to-crew ratio providing intuitive, anticipatory hospitality.

2. World-Class Gastronomic Partnerships

Cuisine is a central pillar of the Aqua Expeditions philosophy. In the Amazon, Consulting Chef Pedro Miguel Schiaffino crafts innovative menus utilizing native Amazonian ingredients—paiche, camu camu, yuca, and heart of palm. On the Mekong, Michelin-starred Chef David Thompson curates Southeast Asian flavors rooted in local market-fresh delicacies.

3. Custom Aluminum Skiffs & Expert Expedition Naturalists

Expeditions feature private, custom-engineered ergonomic skiffs powered by low-emission four-stroke engines. With groups capped at eight guests per skiff, naturalists bring you within arm's reach of three-toed sloths, scarlet macaws, and capybaras.

4. Signature Travel Network Exclusive Inclusions

When booked through Vincent Vacations, guests receive exclusive Signature amenities including up to $600 USD shipboard credit per cabin, priority suite selection, and private airport arrival transfers.
