EXTRAORDINARY Points of Passage

Some of the destinations we visit would take up to three flights, 30+ hours of travel, and a healthy dose of patience to reach on your own. But on a Grand World Voyage, you simply wake up and you're there.

WHERE THE MAP GETS INTERESTING

Cross the equator twice, transit the International Date Line, and round fabled Cape Horn on a single voyage.

DISCOVER THE DESTINATIONS BETWEEN DESTINATIONS

Some of the most memorable moments happen in the places many travelers sail past, from Mystery Island's tropical beauty to the scattered islands of Cape Verde rising from the Atlantic like a world apart.

NULL ISLAND: WHERE ZERO MEETS ZERO

At the intersection of the prime meridian and the equator lies Null Island — a point in the open Gulf of Guinea at which every coordinate reads zero. We cruise right past this fabled cartographic landmark, a place few have even heard of and fewer still get to see in person.

A Community

BUILT AT SEA

With months at sea, something rare begins to take shape. Acquaintances made over breakfast become dinner companions by the second week and lifelong friends by the time your journey ends.

Grand Voyage guests also create their own rituals. Morning walks become standing dates. Card games become tournaments. And a passion for knitting results in hundreds of blankets for charity. Along the way, special events exclusive to our Grand Voyages give the entire community something to gather around and experience together.

The bonds extend beyond your fellow travelers as well. With a dedicated crew who comes to know you personally — from your favorite coffee order to your preferred table — every day feels more familiar, more welcoming, and more like you belong.

"Taxes, Fees & Port Expenses," or "TFPE" as used by HAL, may include any and all fees, charges, tolls, and taxes imposed on HAL by governmental or quasi-governmental authorities, as well as third-party fees and charges arising from a vessel's presence in a harbor or port. TFPE may be assessed per guest, per berth, per ton, or per vessel. TFPE are subject to change, and HAL reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Advertised fares include Taxes and Fees.

GUESTS WITH DISABILITIES

Holland America Line seeks to accommodate the needs of guests with disabilities, to the extent feasible. Some accommodations require advanced notification. For more information, visit the [Accessible Cruising](#) section of our website.

MEDICAL SERVICES

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. Unless otherwise indicated in an active HAL policy (for example, the COVID-19 Protection Program), guests will be charged a fee for all medical services and medications obtained on board. If the onboard physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require that you have special medical apparatus or assistance on board, we must be made aware of that at time of booking in order to determine whether we can accommodate your needs.

PASSPORTS / VISAS / IMMUNIZATIONS

You are solely responsible for securing and having available all proper documentation for the countries visited on your cruise or land tour and for bringing all necessary travel documents such as passports, visas, proof of citizenship, re-entry permits, minor's permissions and medical certificates showing all necessary

vaccinations. Guests should check with their TA or the appropriate government authority to determine the necessary documents. Guests will be refused boarding or disembarked without recourse or liability for refund, payment, compensation, or credit of any kind if they do not have proper documentation, and they will be subject to any fine or other costs incurred by HAL that result from improper documentation or noncompliance with applicable regulations.

RESPONSIBILITY
